WHAT YOU DO NEXT WHEN YOU GET A JOB IN A BIG COMPANY AFTER YOUR GRADUATION ?

You think that the toughest part of entry into the business world is over.

You dump your extra résumés in a recycling bin.

You eagerly await your first salary.

You look forward to business trips.

Stimulating office brainstorming sessions

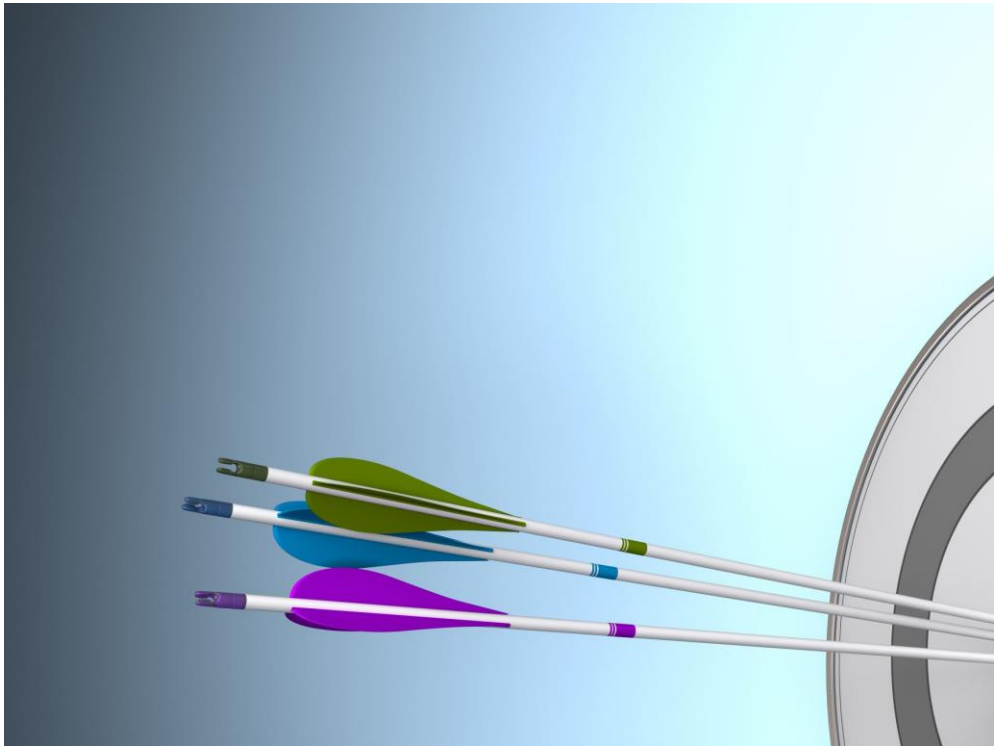

Hanging out with your co-workers every weekend.

THREE YEARS INTO THE WORKING WORLD AND YOUR RESUME LISTS FIVE POSITIONS IN DIFFERENT COMPANIES BECAUSE YOU WERE ALWAYS ON THE LOOKOUT FOR A BETTER OPPORTUNITY THAT WOULD BRING THE EVER-ELUSIVE JOB SATISFACTION.

THE CORPORATE WORLD

The corporate world is a different Jungle which is full of animals and politically motivated for kill in the name of ambition and success.

It does not matter if you are a Boss or a subordinate, every morning at work you need to not just outperform each other but maybe outperform your own self to survive.

LEARN TO LET GO

Repressing emotions create physical issues, expressing them may get relationship issues.

Learn to release emotions in a healthier way with visualizations so you can let go without destructive behaviours.

BE CONFIDENT

- Never say to yourself that you're not good enough to do something.

- No matter what, continue persevering and giving yourself chances to succeed.

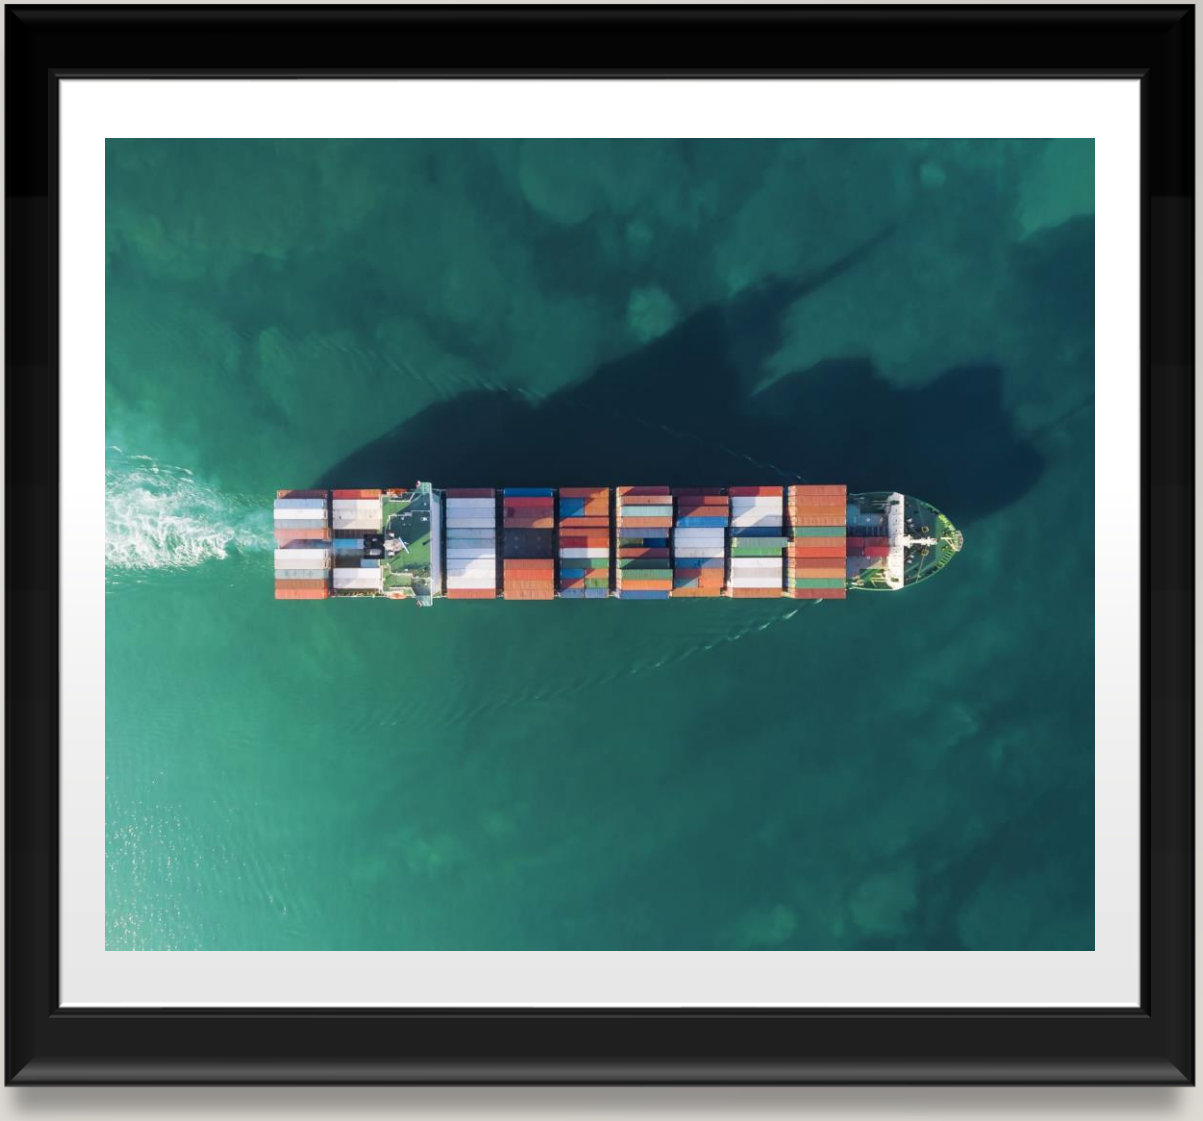

SPEND MORE TIME WITH PEOPLE THAN WITH YOUR LAPTOP:

- People hire you, not technology and you have to remember that!

DON'T JUST TAKE A JOB.
HAVE A PURPOSE BEHIND DOING SO.
